

Technical drawing of a rectangular table. The drawing shows a top-down view of the table with dimensions labeled: 'a' for the length, 'b' for the width, and 'c' for the depth of the table's legs. The table has a simple rectangular frame with four legs. The drawing is oriented horizontally, with the length 'a' running from left to right, the width 'b' running from top to bottom, and the leg depth 'c' running from right to left.
